

# Sport Activity Sheet

## Ideas from our teacher in Uganda

- Hold a school tournament for netball, football or volleyball - it could be between classes or year groups.
- Think of the equipment you think the children in Uganda would need to organise a football match.
- Can you name all the sports you know that use a ball?
- Could you stand in a ring and throw a ball to each other?

Your teacher could read to you the Asobora Story and listen how the three friends play skipping games and get tangled up!!

We are ready to play a game of football.

If you would like to know what sport the children play in Uganda, ask your teacher.

St Zoe's school has just bought bicycles for the children and they have been having great fun learning how to ride a bike.

Can you ride a bike?

You could look at the pictures on the other page (sport) and see the children taking part in sport at St. Zoe's school.
